We’re so glad you could join us for our 18th star-studded Visiting Artists Series. As in past seasons, it’s about the STARS who grace our stage. This year, we’re really capitalizing on that. Our new slogan and music to go along with it is: “Twinkle, Twinkle Great Big Star – How I Wonder Where You Are.” The answer being the Cedarburg PAC!

Our upcoming season includes one of today’s most renowned country performers, a beloved Irish folk group, a recent TV singing competition phenom, Wisconsin’s favorite storyteller, a Grammy-winning pianist, a tribute to the original folk-singing “country boy” and more.

We hope you will consider a financial contribution to support the performing arts. Donations are accepted by mail, online, phone or in person. Donations to CPAC, Inc., a 501(c)3 not-for-profit organization, are tax deductible.

Wynonna’s rich and commanding voice has sold over 30 million albums worldwide. Five-time GRAMMY winner and *New York Times* best-selling author, Wynonna has received over 60 industry awards, with countlesscharting singles, including 20 No.1 hits such as “Mama He’s Crazy,” “Why Not Me,” and “Grandpa, (Tell Me ‘Bout The Good Ole Days).”

“My roots are firmly planted in Country music, the music that has been a backdrop to the lives of so many of my fans,” says Wynonna. “But I was given wings and I’m grateful, after all this time, for the freedom to be myself and sing the music that I love.”

Wynonna, along with her band The Big Noise, will explore the past, present and future of Wynonna’s extensive 33-year career on the 2017 Roots & Revival Tour.

NPR’s Ann Powers noted that, “With her tight band behind her after touring together for several years, she just sounds like she’s home…You can just feel the grin on her face.”

Wynonna & The Big Noise, led by husband/drummer/producer, Cactus Moser, released their debut full-length album in February 2016 via Curb Records to critical acclaim. Wynonna has described the new sound as “vintage yet modern” and a “return to the well.” It’s a rootsy work encompassing country, Americana, blues, soul and rock.

The enduring mission of the Visiting Artists Series is to *Enlighten, Educate and Entertain*. While we will always work to enlighten and entertain our audiences, it’s our dedication to *educate* that is most gratifying. To that end, some of our Visiting Artists agree to offer master classes, workshops and performances for the young people of our greater community. Through these opportunities, we hope to instill a lifelong appreciation and love of the arts.

Over the past 18 years, our Visiting Artists have shared performance tips and techniques, given students opportunities to practice their talents, and allowed them to participate in on-stage collaborations. We continue to look for creative ways to engage artists and young people.

Last season, members of an *a cappella* group Rockapella gave a master class for high school music students, with support from the **CHS Fine Arts Boosters**. And, the Milwaukee Symphony Orchestra, with underwriting from **Rita Edquist Memorial Fund at Greater Milwaukee Foundation**, gave young people a chance to experience light classical music during the holidays. Great news…the Fund will underwrite the MSO student performance again this year!

The Christmas Schooner
Holiday Musical - Dinner Theater
November 25th - December 17th
Weekend Series in the Round
Travel back in time and take a ride on “The Christmas Schooner”!
The true story of a Michigan shipping captain who braves the deadly winter weather, sailing along the icy waters of the Lake Michigan shoreline, to bring Christmas trees to homesick German American families in turn-of-the-century Chicago. The whole family will enjoy this heart-warming story of the first Christmas tree ship and those who risked their lives to fill Chicago with the Christmas spirit. It celebrates their pioneering spirit, their joy in living every day to the fullest, their courage, and their commitment to family, faith, and the belief that “our blessings aren’t ours to keep, they’re meant to be passed along.”

For more than 30 years, Cedarburg families dreamed of a suitable performance space for their children attending the Cedarburg schools. Their enduring vision, along with their generous support, ultimately led to an approval by school district residents to build a dedicated facility on the grounds of Cedarburg High School. In 1999, their efforts were realized when the Cedarburg Performing Arts Center opened its doors. While the facility was designed to provide exciting learning and performance opportunities for our students, community residents also were promised a magnificent venue beyond school presentations.

With this in mind, several community leaders came together with the intent of creating a vehicle – Cedarburg PAC, Inc. – to produce the Visiting Artists Series. They believed such a series would showcase Cedarburg on the world’s stage. And they worked tirelessly to make this concept a reality. Those founding sponsors and our other long-time supporters made it an incredible journey... one that always reflected the organization's mission of “supporting and sustaining a professionally managed environment which presents programming to Enlighten, Educate and Entertain our greater community.”

During the past 17 years, Cedarburg PAC has been host to a large slice of American performing arts history showcasing some of the biggest names in the entertainment industry: Bob Newhart, Doc Severinsen, The Smothers Brothers, The Crickets, Janis Ian, Judy Collins, Hal Holbrook, Preservation Hall Jazz Band, Don McLean, Chris Botti, Kathy Mattea, Nitty Gritty Dirt Band, 10,000 Maniacs, The Osmond Brothers, Rich Little, Big Bad Voodoo Daddy and many others. These artists come to us with varied backgrounds, perspectives, opinions, and performance styles. They give us exposure to their lives and experiences, and expand our base of knowledge regarding a part of America’s cultural history that has helped to shape our country.

Cedarburg PAC, Inc. has worked with Cedarburg School District teachers and staff members to ensure that students play an integral role in our Visiting Artists Series. Master classes with renowned artists, open sound checks, Q&A sessions, as well as opportunities to work alongside the performers themselves, are part of our commitment to provide valuable educational interactions for students. A continuing source of pride has been the many students who have gone on to successful careers in the arts industry.

From its inception, the partnership between the Cedarburg School District and Cedarburg PAC, Inc. has been a wonderful example of public and private entities working together to benefit community residents and visitors. We are proud partners in this endeavor! Thank you all for being part of our amazing journey. We look forward to seeing you during our exciting 2017-2018 season of arts and education at the Cedarburg PAC.
