**ABOUT**

The Capitol Steps begin in 1981, at a Christmas party in the office of former Senator Charles Percy. Like most things in Congress, they never knew when to stop. Over the past thirty-six years, the Capitol Steps have recorded thirty-seven albums, and appeared on “Good Morning America,” the “Today Show,” “20/20,” “Entertainment Tonight,” “Nightline,” CNN’s “Inside Politics,” and dozens of times on National Public Radio’s “All Things Considered.” For the past twenty years, they’ve produced quarterly specials for public radio and have been featured in three national specials for public television. They’ve performed for five U.S. Presidents (six if you include Hillary.)

Many of the performers have worked on Capitol Hill, some for Republicans, some for Democrats, and some for members who sit firmly on the fence. In fact, the current cast of the Capitol Steps has at one time or another infested the offices of eleven US Senators and seven Members of the House of Representatives. Most of these politicians have since been defeated or placed under investigation.

The Capitol Steps have 37 albums.
Their most recent is
“Orange is the New Barack”

The North Shore Center for the Performing Arts in Skokie wishes to acknowledge a grant from the Mayer-Rothschild Foundation in the loving memory of Robert Nathan Mayer. This grant made possible a first-time collaboration between the North Shore Center and the Wilmette-based Actors Training Center to produce a comedy workshop scheduled for Saturday, January 27. We wish to thank The Mayer-Rothschild Foundation, ATC founder and executive director Carole Dibo, ATC studio manager Becky Blomgren, ATC instructor Tim Soszko and members of The Capitol Steps for their support and participation in this project.
