When not onstage, Alyssa spends her time singing, songwriting, recording music, playing the piano, and hanging out with friends. She thanks her family and friends for their never-ending love and support and hopes that you enjoy the show!

Bill’s other favorite credits include Joseph and the Amazing Technicolor Dream Coat (Jacob), Fiddler on the Roof (Lazar Wolf), On Golden Pond (Charlie) and To Kill a Mockingbird (Prosecutor Gilmore). He will also be seen in Legal ThreaT (Sam), a film to be released in 2018.

She also performed with the Bay Players in their production of Always a Bridesmaid (Monette Gentry), the West Allis Players in Death by Chocolate (Bon Bon Purvis) and The Lakeside Players’ production of Romance in D (Helen Norton). Christi also is a former member of The Milwaukee Ballet Company with extensive training in dance. Thanks to our director and an amazing, dedicated cast. I hope we can bring you back into this moment in history where you can gain strength from the spirit of an incredibly brave girl.

THE OPTIMIST CREED
Promise Yourself -
To be so strong that nothing can disturb your peace of mind.
To talk health, happiness and prosperity to every person you meet.
To make all your friends feel that there is something in them.
To look at the sunny side of everything and make your optimism come true.
To think only of the best, to work only for the best and to expect only the best.
To be just as enthusiastic about the success of others as you are about your own.
To forget the mistakes of the past and press on to the greater achievements of the future.
To wear a cheerful countenance at all times and give every living creature you meet a smile.
To give so much time to the improvement of yourself that you have no time to criticize others.
To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

The motto of the Optimist Club is "Friend of Youth" and "Bringing out the Best in Kids". Many community events are sponsored by the Optimist club such as the Independence Day Parade, Kids Fishing Derby, Adopt A Highway, Leaf Raking for Senior Citizens, and many more. Some of the youth projects are Post Prom, Jr Miss, Student of the Month, Tri Star Baseball, Patio Players Youth Camp T-Shirts, and many scholarship opportunities such as the Jack Strawbridge Scholarship.

that theater presents. When not helping out at Patio, Alex can be found solving customers’ computing woes in his career as an IT professional, or pursuing one of his many interests, including working on his house, spending time with family and friends, trying new and interesting beers, and travel. He would like to thank his family and friends, as well as Jenna for not exercising her option for return within three days.

Corrie Tritz (Lighting Designer) Corrie Tritz is a Milwaukee-based stage technician and theater artist, and currently serves as a house stagehand at Alverno College and sound engineer for Optimist Theatre. Previous affiliations include: Huntington Theatre Company (Boston, MA), American Repertory Theater (Cambridge, MA), North Shore Music Theatre (Beverly, MA), The Theater Offensive (Boston, MA), Portland Stage (Portland, ME), and Deertrees Theatre (Harrison, ME). Locally, Corrie is an active member of Cooperative Performance Milwaukee, having recently directed The Women’s Follow Your Dream Club for the CPM One-Acts Festival. Tom Matasek (Sound Designer) Tom’s Audio Engineering days started in Canada many years ago in the late 70’s and early 80’s with numerous touring acts. Here in Wisconsin, at the Riverside Theater, he spent some time with the Booze brothers. Currently, he’s the Parent advisor to the Slinger High School Tech Crew and Technical Director for the High School Musicals, teaching this craft to some wonderful students. During the summer Tom and his wife coordinate the students to do stage hand work for the main stage at the Washington County Fair, giving the wonderful experience of working with many touring acts. Believe it or not, some of these kids actually are doing this stuff in college and professionally. Go figure!

Rose Schwartz (Prop Master) Rose started as an usher and has been active in many areas of the theater for Falls Patio Players. It has been an enjoyable and rewarding experience working with such a hardworking, dedicated and talented cast and crew. There is always one difficult prop in every show to create or find.
