Dear KML Families, Friends, and Guests,

Welcome to Seussical! Thank you for coming! Our leaders, cast members, and support people have been working faithfully for many months in order to present an excellent performance. We hope you enjoy the show!

At KML, we believe in creating fine arts opportunities to support our students in exploring and developing the talents and abilities the Lord has given them. We are always proud of their efforts in glorifying the Lord in so many different ways. We look forward to many more musicals, plays, dramas, concerts, and other events for many years to come as our students glorify God with their talents and hard work.

This musical, along with all of the many opportunities for our students to participate, is one example of the various activities which help us carry out our mission. We want to offer programs and activities such that all of our students will have the opportunity to grow where they are gifted. The arts, academics, athletics, and leadership are just a few examples of areas in which our students can thrive as they prepare for life after high school. Our talented and Christ-centered teachers and staff, as partners with parents, help us to carry out our mission by working diligently to prepare our students for the next steps in their lives – and for an eternity with Jesus in heaven.

Again, thank you for coming. Sit back, relax, and enjoy the show!

Kettle Moraine Lutheran High School Charity Auction has had a tremendous impact over the last 19 years. Last year, our auction raised over $90,000 to help fund a robotics class, Videography Club and the Tuition Assistance Fund.

Our auction this year will help fund KML’s “Font Yard Athletic Fields” including:

- adding a new JV softball field
- resurfacing and giving a facelift to the Varsity softball field
- relocating the shotput and discuss locations for track and field

A portion of the funds raised will also go to the KML Tuition Assistance Fund and to Kettle Moraine Lutheran New Friends Group.

We are also proud to help raise funds for research and awareness for Dysautonomia.
