Dallas Brass takes the stage with a full range of classical, Dixieland, swing, Broadway, Hollywood and patriotic music.

WELCOME!

We’re so glad you could join us for our 18th star-studded Visiting Artists Series. As in past seasons, it’s about the STARS who grace our stage. This year, we’re really capitalizing on that. Our new slogan and music to go along with it is: “Twinkle, Twinkle Great Big Star – How I Wonder Where You Are.” The answer being the Cedarburg PAC!

Our upcoming season includes one of today’s most renowned country performers, a beloved Irish folk group, a recent TV singing competition phenom, Wisconsin’s favorite storyteller, a Grammy-winning pianist, a tribute to the original folk-singing “country boy” and more.

We hope you will consider a financial contribution to support the performing arts. Donations are accepted by mail, online, phone or in person. Donations to CPAC, Inc., a 501(c)3 not-for-profit organization, are tax deductible.

Founded in Dallas, Tex., in 1983 by Michael Levine, the Dallas Brass has become one of America’s foremost musical ensembles. The group has established a unique blend of traditional brass instruments with a full complement of drums and percussion, which creates a performing entity of extraordinary range and musical challenges. The Dallas Brass repertoire includes classical masterpieces, Dixieland, swing, Broadway, Hollywood and patriotic music.

In addition to their solo engagements, the Dallas Brass appears with symphony orchestras nationwide. Symphonic credits include the Cincinnati Pops conducted by Erich Kunzel, New York Pops conducted by Skitch Henderson, and the Philly Pops conducted by Peter Nero. They have performed at Carnegie Hall, the John F. Kennedy Center in Washington, DC, and have toured overseas to Europe and the Far East.

The Dallas Brass has shared the stage with the late Bob Hope, has performed for Presidents Gerald Ford and George H. W. Bush, has appeared on the CBS “Early Show,” and their music has been used numerous times on the television show, “The Young & The Restless.”

The group has strong dedication to working with young musicians. They recently published two books of original small ensemble music for middle school and high students on up, called *Brass Grooves*, and they frequently go into schools to present clinics for band students. Inviting students to join them in concert for a selection has become a Dallas Brass trademark.

In keeping with their dedication to student education, the Dallas Brass offered a clinic earlier today for Webster Middle School and Cedarburg High School band students at the CPAC. The students learned more about the members of Dallas Brass, received tips on practicing and general musicianship -- and one student group was invited on stage to be coached by the Dallas Brass.

As a special treat, the high school’s 72-member Symphonic Band will be performing a piece on stage this evening. It promises to be an incredible experience for students and, hopefully, for the audience as well.

The enduring mission of the Visiting Artists Series is to *Enlighten, Educate and Entertain*. While we will always work to enlighten and entertain our audiences, it’s our dedication to *educate* that is most gratifying. To that end, some of our Visiting Artists agree to offer master classes, workshops and performances for the young people of our greater community. Through these opportunities, we hope to instill a lifelong appreciation and love of the arts.

Over the past 18 years, our Visiting Artists have shared performance tips and techniques, given students opportunities to practice their talents, and allowed them to participate in on-stage collaborations. We continue to look for creative ways to engage artists and young people.

Last season, members of an *a cappella* group Rockapella gave a master class for high school music students, with support from the CHS Fine Arts Boosters. And, the Milwaukee Symphony Orchestra, with underwriting from Rita Edquist Memorial Fund at Greater Milwaukee Foundation, gave young people a chance to experience light classical music during the holidays. Great news…the Fund will underwrite the MSO student performance again this year!

We work to accomplish our mission by offering ongoing opportunities to residents of the Greater Cedarburg area and beyond to experience and appreciate the performing arts.” We strive to expose students to guest artists through master classes, workshops, question and answer sessions and on-stage collaborations. In addition, we provide student internship opportunities with technical, box office, merchandise sales, backstage hospitality and marketing/business functions. Spectrum Investment Advisors has been chosen as a finalist for 401(k) Specialist's 2017 Top Advisors by Participant Outcomes (TAPO) for the month of July. 401(k) Specialist magazine and website are specifically focused on providing retirement plan advisors with the information needed to assist the retirement plan sponsors and participants they serve. The 401(k) Specialists Top Advisors by Participant Outcomes finalists are selected monthly. An independent panel of industry experts is then convened annually to select the overall winner from the monthly finalists, to be announced in October. The 401(k) Specialist's 2017 Top Advisors by Participant Outcome finalists are selected monthly out of the advisors who chose to respond to the survey. The National Association of Plan Advisors (NAPA) Top DC Advisor Firms is a compilation of leading advisor firms, or teams, ranked by defined contribution (DC) assets under advisement. Spectrum is one of 250 advisor firms who chose to respond to the 2017 survey. NAPA’s Top DC Advisor Firms list focuses specifically on the defined contribution practice of firms that are referred to as a team or office. The ratings are not indicative of the advisor’s future performance. There were no charges or fees to be included for TAPO of NAPA.
For more than 30 years, Cedarburg families dreamed of a suitable performance space for their children attending the Cedarburg schools. Their enduring vision, along with their generous support, ultimately led to an approval by school district residents to build a dedicated facility on the grounds of Cedarburg High School. In 1999, their efforts were realized when the Cedarburg Performing Arts Center opened its doors. While the facility was designed to provide exciting learning and performance opportunities for our students, community residents also were promised a magnificent venue beyond school presentations.

With this in mind, several community leaders came together with the intent of creating a vehicle – Cedarburg PAC, Inc. – to produce the Visiting Artists Series. They believed such a series would showcase Cedarburg on the world’s stage. And they worked tirelessly to make this concept a reality. Those founding sponsors and our other long-time supporters made it an incredible journey... one that always reflected the organization's mission of “supporting and sustaining a professionally managed environment which presents programming to Enlighten, Educate and Entertain our greater community.”

During the past 17 years, Cedarburg PAC has been host to a large slice of American performing arts history showcasing some of the biggest names in the entertainment industry: Bob Newhart, Doc Severinsen, The Smothers Brothers, The Crickets, Janis Ian, Judy Collins, Hal Holbrook, Preservation Hall Jazz Band, Don McLean, Chris Botti, Kathy Mattea, Nitty Gritty Dirt Band, 10,000 Maniacs, The Osmond Brothers, Rich Little, Big Bad Voodoo Daddy and many others. These artists come to us with varied backgrounds, perspectives, opinions, and performance styles. They give us exposure to their lives and experiences, and expand our base of knowledge regarding a part of America’s cultural history that has helped to shape our country.

Cedarburg PAC, Inc. has worked with Cedarburg School District teachers and staff members to ensure that students play an integral role in our Visiting Artists Series. Master classes with renowned artists, open sound checks, Q&A sessions, as well as opportunities to work alongside the performers themselves, are part of our commitment to provide valuable educational interactions for students. A continuing source of pride has been the many students who have gone on to successful careers in the arts industry.

From its inception, the partnership between the Cedarburg School District and Cedarburg PAC, Inc. has been a wonderful example of public and private entities working together to benefit community residents and visitors. We are proud partners in this endeavor! Thank you all for being part of our amazing journey. We look forward to seeing you during our exciting 2017-2018 season of arts and education at the Cedarburg PAC.
