**DIRECTOR'S NOTE**

*Willy Wonka* is one of many Roald Dahl masterpieces, and has been captivating audiences since 1971. This show is a timeless classic that many of us remember from our childhoods and have been quoting ever since. It is common to hear someone in my family shout, “I want an Oompa Loompa, now!” when we are feeling particularly needy about something in good humor.

When the classic film starring Gene Wilder, was adapted into the new film starring Johnny Depp, audiences were torn — was the Gene Wilder classic the better film or did Tim Burton out-do the original? You can debate that among yourselves, but one thing is for certain: in all forms of *Willy Wonka*, Charlie Bucket reminds us all that being kind, thinking positively, and treating not only your family, but also strangers well, is the real way to win the prize.

The Community Theatre Works program at DSHA is truly special in that it brings together children, teens, and adults from our community to tell a story. A unique aspect of our summer production is that we put on a full-length, fully-orchestrated, full-run production, in ONLY four weeks, upholding the standard of excellence of which the DSHA theatre department is known. This is only possible by having a great team of adults in place to guide, lead, teach, and support our equally incredible team of students. We have 83 cast members in this production and it takes great planning and care to make sure that each cast member is met in their developmental or professional realm and nurtured to be their best selves. We take great pride in this process and we hope you are as excited as we are to see the product of our hard work.

The DSHA Theatre Department kicks off our 2018-2019 Season in the fall with *Les Misérables*! You will see a cast of ninety students — including nearly seventy DSHA young women, sixteen young men from Milwaukee area high schools, twelve middle school students from our community schools, and a dynamic production team and orchestra.

Do not miss this show, it will be a powerhouse performance! Following *Les Misérables* will be *Almost, Maine*, followed by the student-directed, Advanced Acting production of *Edgar Allan Poe's Murder Mystery Dinner Party* in the Spring. Finishing our season with a bang, CTW will produce Disney’s *NEWSIES* in the summer of 2019. We hope that each of our *Wonka* kids comes next summer, and that we see you again this season!

I would like to share my gratitude for a production team like none other — each of you put the children above all else and together, we built something fun and beautiful! Thank you, parents, for sharing your children with us and for all you have done to help make this production a success. We truly could not put on this show without your help and we want you to know that you are so very much appreciated! Kids, you have grown and you have been amazing — thank you for taking this summer journey with us. Bravo!
