BIOGRAPHIES

ANDREW LLOYD WEBBER
Andrew Lloyd Webber is the composer of some of the world’s best-known musicals including Cats, Evita, Joseph and the Amazing Technicolor Dreamcoat, Jesus Christ Superstar, The Phantom of the Opera (which celebrated its 30th anniversary on Broadway in 2018) and Sunset Boulevard.

When Sunset Boulevard joined School of Rock – The Musical, Cats and Phantom on Broadway in February 2017 he became the only person to equal the record set in 1953 by Rodgers and Hammerstein with four shows running concurrently.

As well as The Phantom Of The Opera and Cats, his productions include the groundbreaking Bombay Dreams, which introduced the double Oscar-winning Bollywood composer AR Rahman to the Western stage.

His awards, both as composer and producer, include seven Tonys, seven Oliviers, a Golden Globe, an Oscar, the Praemium Imperiale, the Richard Rodgers Award for Excellence in Musical Theatre, a BASCA Fellowship, the Kennedy Center Honor and a Grammy for Best Contemporary Classical Composition for Requiem, his setting of the Latin Requiem mass which contains one of his best-known compositions, “Pie Jesu.” He owns seven London theatres including the Theatre Royal, Drury Lane and the London Palladium.

He was knighted by Her Majesty The Queen in 1992 and created a life peer in 1997.

He is passionate about the importance of music in education and the Andrew Lloyd Webber Foundation has become one of Britain’s leading charities supporting the arts and music. In 2016 the Foundation funded a major new national initiative which endowed the American Theatre Wing with a $1.3 million, three-year grant to support theatre education opportunities for underserved young people and public schools across the U.S.

GLENN SLATER
Glenn Slater co-created Disney’s 2010 worldwide smash Tangled (2011 Grammy Winner, 2010 Oscar and Golden Globe nominee), as well as the Broadway and international hit musicals A Bronx Tale, School of Rock—The Musical (2016 Tony nominee—Best Score), Sister Act (2011 Tony nominee—Best Score) and The Little Mermaid (2008 Tony nominee—Best Score, Grammy nominee—Best Cast Album).

With longtime collaborator Alan Menken, he has also written songs for the Disney animated film Home On The Range (2004) and Broadway musical Leap of Faith (Tony nominee—Best Musical, 2012), as well as acting as both songwriters and executive producers of the medieval musical comedy ABC-TV series Galavant.

In the West End, Slater provided both book and lyrics for Andrew Lloyd Webber’s Love Never Dies (2010 Olivier nominee—Best Musical), the sequel to Phantom of the Opera. His other work includes an Emmy-nominated song for the ABC-TV comedy The Neighbors (2013) and the stage revue Newyorkers at The Manhattan Theatre Club (Lucille Lortel, Drama Desk, Outer Critics Circle nominations). Slater is the recipient of the prestigious Kleban Award for Lyrics, the ASCAP/Richard Rogers New Horizons Award and the Jonathan Larson Award. **Patty Di Marco**  
18, Menomonee Falls High School / Southern Illinois University - Carbondale  
Mainyia Xiong is a graduate of Menomonee Falls High School and will attend Southern Illinois University in the fall where she will pursue her BFA in Musical theater and minor in museum studies. This summer was one of her busiest as she was cast in two productions - the world premiere of the play “Lost Girl” written by Kimberly Belflower at the Milwaukee Repertory Theater and the musical “School Of Rock” with the Sudbrink Performance Academy. She has many thanks to give and the first one goes to Zoua Xiong. She would like to thank Zoua for all the years of support and encouragement. She would also like to thank her family and friends for believing in her and for supporting her dreams. Lastly, Mainyia would like to thank the Sudbrinks, especially Jacob Sudbrink for teaching, encouraging, and lifting her up. She wouldn’t be where she is today if it wasn’t for all of the support from everyone around her. Thank you.

We are **Sudbrink Performance Academy**. Here at SPA, we hire only top-knotch instructors to offer education, training, and connections to the performing arts community. No matter what programs fit you best, our goal is the same. We are here to help you or your child be fierce and fearless - to motivate, challenge, and prepare you for all that theatre - and life - has to offer.

We are a 501(c)(3) non-profit charitable organization.

**Mission**

The purpose of Sudbrink Performance Academy shall be to provide first class performing arts education and opportunities.
A group of twenty-seven students, parents, and instructors made up this inaugural Academy Adventure to the Big Apple. The trip was organized with entertainment, leisure, and education in mind.

The SudKids were given some rare opportunities while in New York, that young performers everywhere only dream of. First, they had a private Q & A with two Broadway performers. Ioana Alfonso and Lori Ann Ferreri, both from the cast of Wicked, answered every question from the students and parents with honest and thoughtful detail.

Next, the group of theatre students embarked on a trip to Ripley-Grier Studios, where hundreds of auditions and rehearsals for Broadway and beyond happen! As they walked the halls, they heard the sounds of the then brand-new cast of Les Miserables, rehearsing for the National Tour. The kids were not just there for a tour, though - they were there to work! Lulu Lloyd, from the cast of School of Rock on Broadway, met us for a Master Class at one of the studios. Lulu was great, and talked a lot of the behind-the-scenes mechanics of the stage after teaching choreography from the show.

Of course what’s a trip to New York without a taste of Broadway? Included in the trip were orchestra seats to three hit Broadway performances. The group experienced The Phantom of the Opera, Wicked, and School of Rock.

And of course the SudKids waited at the Stage Door to meet their favorite actors!

Sudbrink Academy is planning to organize a second group trip to NYC for summer of 2019. Email hello@sudbrinkacademy.com for more information.
