SHOW SYNOPSIS

On a Greek island, Sophie dreams of a perfect wedding — one which includes her dad giving her away. The problem? Sophie doesn’t know who he is! Her mother Donna, the former lead singer of the 1970’s pop group Donna and the Dynamos, refuses to talk about the past, so Sophie decides to take matters into her own hands. Sneaking a peek in her mother’s old diary, she discovers three possible dads. She secretly invites all three to the wedding and when all three turn up, the plot takes a few fun twists and turns. Told through the toe-tapping music of ABBA, MAMMA MIA! has become a worldwide sensation.

Congratulations to the Tosa West Trojan Players who have been honored as a Top High School Theatre Program from Stage Directions Magazine! Bravo on your commitment to excellence in High School Theatre!
DIRECTOR’S NOTE

A Mediterranean Island is the backdrop to this tale of the women who wanted to have it all and the girls who want happily ever after. And has anyone asked what the men want?

Through the storytelling magic of the songs of ABBA, we meet Donna, Rosie, Tanya, Sophie, and other characters who all sing and dance their way through these all too familiar tunes.

Welcome to MAMMA MIA!

Tosa West is one of the first high school’s in the area to produce this smash hit musical and we couldn’t be happier to bring this f-abba-ulous musical to life.

MAMMA MIA! opened on Broadway in 2001 and since has enjoyed multiple national tours and spawned two successful movies. However, the reviews on MAMMA MIA! are mixed… “If you take apart MAMMA MIA! ingredient by ingredient, you can only wince. It has a sitcom script about generations in conflict that might as well be called ‘My Three Dads.’ The matching acting, perky and italicized, often brings to mind the house style of The Brady Bunch.”

But alas, lots and lots of people ABBA-solutely love this show. Is it the music? The feeling of nostalgia? The great costumes? A few fun surprises? We’ll let you be the judge.

A huge shout out to the entire production team, parents, students, and volunteers for helping to make this show a success. All of you have helped to shape our theatre program and mold it into something we take pride in. Bravo! We are excited to continue to share our story, inspire creativity, and enrich our students and the Wauwatosa community with exceptional theatre experiences.

Thank you for your continued support of Theatre at Tosa West.

We hope you have the time of your life!

Enjoy the show!

Mr. Steffan
