WELCOME!

We're so glad you could join us for our 19th star-studded Visiting Artists Series. As in past seasons, it's about the incredible STARS who grace our stage.

Our upcoming season includes a tribute to a beloved Swedish pop group, a captivating string and vocal performance from a talented family band, a Winter Dance Party® to beat all dance parties, Wisconsin's favorite storyteller reminiscing about the holidays, a trio of Top 10 Billboard-charting tenors, an Irish-American female supergroup, and a three-time “Las Vegas Headliner of the Year.”

We hope you will consider a financial contribution to support the performing arts. Donations are accepted by mail, online, phone or in person. Donations to CPAC, Inc., a 501(c)3 not-for-profit organization, are tax deductible.

Christmas with Annie Moses Band
Christmas music is not only a favorite with Annie Moses Band, but a specialty, for a very special time of year. A flurry of holiday classics, Christmas with the Annie Moses Band reflects an amazing compilation of songs and carols chock-full of holiday happiness. From the spirited rendition of ‘God Rest Ye, Merry Gentlemen’ to the breathtaking beauty of ‘O Holy Night,’ this evening of music is invigorating, reverential, and transporting.

Genre-defying and unforgettable, the Annie Moses Band has been thrilling audiences for over a decade with a sweeping virtuosity and musical spirit that is both fresh and poignant. These are true musicians of the highest caliber drawn together by the bonds of family, faith, and love for their audience.

Raised by Nashville songwriters and educated at the Juilliard School, this band of siblings has graced the stages of Carnegie Hall and the Grand Ole Opry House. Their Warner Bros. album “American Rhapsody” topped the charts while their PBS specials, “Christmas with the Annie Moses Band” and “The Art of the Love Song” have broken records and been nominated for Emmy Awards.

Support for the arts continues with a move to Milwaukee Catholic Home.

Milwaukee Catholic Home’s exciting schedule of performing arts events has included performances by Paul Cebar, Robin Pluer, the Radio Rosies, and many others. Visit our website’s “Community Life” page to learn more.
In keeping with our mission to Enlighten, Educate and Entertain, we work to create experiential opportunities for the young people of our community. They spend time learning what it takes to put on a successful Visiting Artists Series. They also learn from renowned performers through Master Classes, workshops and on-stage collaborations. Many have gone on to college programs and careers in the performing arts!

RECENT EFFORTS TO ENGAGE YOUNG PEOPLE

The Milwaukee Symphony Orchestra, with underwriting from the Rita Edquist Memorial Fund, provided a fun and inspirational holiday performance for local students – from grade school through high school.

NBC’s The Voice finalist Chris Mann collaborated with local high school students during his Visiting Artists Series performance. He sang several songs with the school’s 24-member A Cappella Choir.

One of America’s foremost musical ensembles, Dallas Brass, offered a clinic for middle and high school band students prior to their CPAC performance. Then, they invited the 72-member high school Symphonic Band to play with them on stage during their concert.

Commercial Art & Design students from the local high school partnered with the CPAC to create posters promoting student tickets for Visiting Artists Series performances.

We are proud to support the

Cedarburg Performing Arts Center, Inc.

and its

2018-2019 Visiting Artists Series

Ozaukee Bank’s Gift to the Future
A fund to support Cedarburg...now and forever
For more than 30 years, Cedarburg families dreamed of a suitable performance space for their children attending the Cedarburg schools. Their enduring vision, along with their generous support, ultimately led to an approval by school district residents to build a dedicated facility on the grounds of Cedarburg High School. In 1999, their efforts were realized when the Cedarburg Performing Arts Center opened its doors. While the facility was designed to provide exciting learning and performance opportunities for our students, community residents also were promised a magnificent venue beyond school presentations.

With this in mind, several community leaders came together with the intent of creating a vehicle – Cedarburg PAC, Inc. – to produce the Visiting Artists Series. They believed such a series would showcase Cedarburg on the world’s stage. And they worked tirelessly to make this concept a reality. Those founding sponsors and our other long-time supporters made it an incredible journey... one that always reflected the organization’s mission of “supporting and sustaining a professionally managed environment which presents programming to Enlighten, Educate and Entertain our greater community.”

During the past 18 years, Cedarburg PAC has been host to a large slice of American performing arts history showcasing some of the biggest names in the entertainment industry: Bob Newhart, Doc Severinsen, The Smothers Brothers, Janis Ian, Judy Collins, Hal Holbrook, Preservation Hall Jazz Band, Don McLean, Chris Botti, Kathy Mattea, Nitty Gritty Dirt Band, 10,000 Maniacs, The Osmond Brothers, Rich Little, Big Bad Voodoo Daddy, Wynonna Judd and many others. These artists come to us with varied backgrounds, perspectives, opinions, and performance styles. They give us exposure to their lives and experiences, and expand our base of knowledge regarding a part of America’s cultural history that has helped to shape our country.

Cedarburg PAC, Inc. has worked with Cedarburg School District teachers and staff members to ensure that students play an integral role in our Visiting Artists Series. Master classes with renowned artists, open sound checks, Q&A sessions, as well as opportunities to work alongside the performers themselves, are part of our commitment to provide valuable educational interactions for students. A continuing source of pride has been the many students who have gone on to successful careers in the arts industry.

From its inception, the partnership between the Cedarburg School District and Cedarburg PAC, Inc. has been a wonderful example of public and private entities working together to benefit community residents and visitors. We are proud partners in this endeavor! Thank you all for being part of our amazing journey. We look forward to seeing you during our exciting 2018-2019 season of arts and education at the Cedarburg PAC.
