WELCOME!

We’re so glad you could join us for our 19th star-studded Visiting Artists Series. As in past seasons, it’s about the incredible STARS who grace our stage.

Our upcoming season includes a tribute to a beloved Swedish pop group, a captivating string and vocal performance from a talented family band, a Winter Dance Party® to beat all dance parties, Wisconsin’s favorite storyteller reminiscing about the holidays, a trio of Top 10 Billboard-charting tenors, an Irish-American female supergroup, and a three-time “Las Vegas Headliner of the Year.”

We hope you will consider a financial contribution to support the performing arts. Donations are accepted by mail, online, phone or in person. Donations to CPAC, Inc., a 501(c)3 not-for-profit organization, are tax deductible.

In *Holiday Tales*, John McGivern serves up a steady stream of stories from his Wisconsin childhood. They recall an age of innocence bounded by snow days and Thanksgiving dinners, handcrafted Christmas toys, trees purchased at the Odd-Lot-Tree-Lot, the annual WE Energies Christmas Cookie Book, New Years Eves in the finished basement and life in the McGivern Household around the Holidays.

*John McGivern’s Holiday Tales* recounts holidays past and present. It is guaranteed to generate loads of laughs and a warm, holiday glow.

McGivern is best known for his Emmy-award winning work on PBS. His one-man-shows, including *The Early Stories Of John McGivern*, *Midsummer Night McGivern* and *John McGivern’s Home For The Holidays*, tell the stories of being the third born of six kids in a working-class Irish Catholic Family in the Midwest. His stories are personal and funny, touching and familiar. His themes are based in family and remind us all that as specific as we might believe our experiences are, we all share a universal human experience.

In keeping with our mission to *Enlighten, Educate and Entertain*, we work to create experiential opportunities for the young people of our community. They spend time learning what it takes to put on a successful Visiting Artists Series. They also learn from renowned performers through Master Classes, workshops and on-stage collaborations. Many have gone on to college programs and careers in the performing arts!

**RECENT EFFORTS TO ENGAGE YOUNG PEOPLE**

The **Milwaukee Symphony Orchestra**, with underwriting from the Rita Edquist Memorial Fund, provided a fun and inspirational holiday performance for local students – from grade school through high school.

NBC’s *The Voice* finalist **Chris Mann** collaborated with local high school students during his Visiting Artists Series performance. He sang several songs with the school’s 24-member *A Cappella* Choir.

One of America’s foremost musical ensembles, **Dallas Brass**, offered a clinic for middle and high school band students prior to their CPAC performance. Then, they invited the 72-member high school Symphonic Band to play with them on stage during their concert.

Commercial Art & Design students from the local high school partnered with the CPAC to create posters promoting student tickets for Visiting Artists Series performances.

We are proud to support the

and its

2018-2019 Visiting Artists Series

Ozaukee Bank’s Gift to the Future
A fund to support Cedarburg…now and forever
For more than 30 years, Cedarburg families dreamed of a suitable performance space for their children attending the Cedarburg schools. Their enduring vision, along with their generous support, ultimately led to an approval by school district residents to build a dedicated facility on the grounds of Cedarburg High School. In 1999, their efforts were realized when the Cedarburg Performing Arts Center opened its doors. While the facility was designed to provide exciting learning and performance opportunities for our students, community residents also were promised a magnificent venue beyond school presentations.

With this in mind, several community leaders came together with the intent of creating a vehicle – Cedarburg PAC, Inc. – to produce the Visiting Artists Series. They believed such a series would showcase Cedarburg on the world’s stage. And they worked tirelessly to make this concept a reality. Those founding sponsors and our other long-time supporters made it an incredible journey... one that always reflected the organization’s mission of “supporting and sustaining a professionally managed environment which presents programming to Enlighten, Educate and Entertain our greater community.”

During the past 18 years, Cedarburg PAC has been host to a large slice of American performing arts history showcasing some of the biggest names in the entertainment industry: Bob Newhart, Doc Severinsen, The Smothers Brothers, Janis Ian, Judy Collins, Hal Holbrook, Preservation Hall Jazz Band, Don McLean, Chris Botti, Kathy Mattea, Nitty Gritty Dirt Band, 10,000 Maniacs, The Osmond Brothers, Rich Little, Big Bad Voodoo Daddy, Wynonna Judd and many others. These artists come to us with varied backgrounds, perspectives, opinions, and performance styles. They give us exposure to their lives and experiences, and expand our base of knowledge regarding a part of America’s cultural history that has helped to shape our country.

Cedarburg PAC, Inc. has worked with Cedarburg School District teachers and staff members to ensure that students play an integral role in our Visiting Artists Series. Master classes with renowned artists, open sound checks, Q&A sessions, as well as opportunities to work alongside the performers themselves, are part of our commitment to provide valuable educational interactions for students. A continuing source of pride has been the many students who have gone on to successful careers in the arts industry.

From its inception, the partnership between the Cedarburg School District and Cedarburg PAC, Inc. has been a wonderful example of public and private entities working together to benefit community residents and visitors. We are proud partners in this endeavor! Thank you all for being part of our amazing journey. We look forward to seeing you during our exciting 2018-2019 season of arts and education at the Cedarburg PAC.
