John Mueller’s WINTER DANCE PARTY® is the official live and authentic recreation of Buddy Holly, Ritchie Valens and the Big Bopper’s final tour and the only show endorsed by the Holly, Valens and Richardson estates. Each live concert performance includes over two hours of unbridled, high voltage entertainment featuring all the hit songs of the 50s era: That’ll Be The Day; Peggy Sue; Oh, Boy; Rave on; La Bamba; Chantilly Lace; and many, many more.

John Mueller, the critically acclaimed former star of the U.S. touring version of the London/Broadway hit musical “Buddy...the Buddy Holly Story,” performs as Buddy Holly with Linwood Sasser as the Big Bopper and Ray Anthony as Ritchie Valens. The very authentic and energetic four-piece band (guitar, drums, stand up bass and sax) includes Grammy Award winning Mike Acosta on saxophone.

The show has been performed in front of over two million people on national TV for the Jerry Lewis Telethon, has toured extensively throughout the United States and Canada at theatres, performing arts centers, ballrooms, corporate events, casinos and even for the Rock and Roll Hall of Fame along with John Mellencamp, Marshall Crenshaw and others.

Highlights over the years have included performing with Grammy winner Peter Nero and the Philly Pops Orchestra, receiving the keys to the city of Green Bay, WI from the Mayor, playing in the legendary Surf ballroom on the same day Buddy, Ritchie, and the Big Bopper did 50 years prior and performing on stage with Maria Elena Holly (Buddy’s widow), Niki Sullivan (an original Cricket band member) and Tommy Allsup (original Winter Dance Party guitarist and legendary Nashville producer).

In keeping with our mission to *Enlighten, Educate and Entertain*, we work to create experiential opportunities for the young people of our community. They spend time learning what it takes to put on a successful Visiting Artists Series. They also learn from renowned performers through Master Classes, workshops and on-stage collaborations. Many have gone on to college programs and careers in the performing arts!

**RECENT EFFORTS TO ENGAGE YOUNG PEOPLE**

The **Milwaukee Symphony Orchestra**, with underwriting from the Rita Edquist Memorial Fund, provided a fun and inspirational holiday performance for local students – from grade school through high school.

NBC’s *The Voice* finalist **Chris Mann** collaborated with local high school students during his Visiting Artists Series performance. He sang several songs with the school’s 24-member *A Cappella* Choir.

One of America’s foremost musical ensembles, **Dallas Brass**, offered a clinic for middle and high school band students prior to their CPAC performance. Then, they invited the 72-member high school Symphonic Band to play with them on stage during their concert.

Commercial Art & Design students from the local high school partnered with the CPAC to create posters promoting student tickets for Visiting Artists Series performances.

A fund to support Cedarburg…now and forever
CEDARBURG PERFORMING ARTS CENTER: A RETROSPECTIVE

During the past 18 years, Cedarburg PAC has been host to a large slice of American performing arts history showcasing some of the biggest names in the entertainment industry: Bob Newhart, Doc Severinsen, The Smothers Brothers, Janis Ian, Judy Collins, Hal Holbrook, Preservation Hall Jazz Band, Don McLean, Chris Botti, Kathy Mattea, Nitty Gritty Dirt Band, 10,000 Maniacs, The Osmond Brothers, Rich Little, Big Bad Voodoo Daddy, Wynonna Judd and many others. These artists come to us with varied backgrounds, perspectives, opinions, and performance styles. They give us exposure to their lives and experiences, and expand our base of knowledge regarding a part of America’s cultural history that has helped to shape our country.

Cedarburg PAC, Inc. has worked with Cedarburg School District teachers and staff members to ensure that students play an integral role in our Visiting Artists Series. Master classes with renowned artists, open sound checks, Q&A sessions, as well as opportunities to work alongside the performers themselves, are part of our commitment to provide valuable educational interactions for students. A continuing source of pride has been the many students who have gone on to successful careers in the arts industry.

From its inception, the partnership between the Cedarburg School District and Cedarburg PAC, Inc. has been a wonderful example of public and private entities working together to benefit community residents and visitors. We are proud partners in this endeavor! Thank you all for being part of our amazing journey. We look forward to seeing you during our exciting 2018-2019 season of arts and education at the Cedarburg PAC.

For more than 30 years, Cedarburg families dreamed of a suitable performance space for their children attending the Cedarburg schools. Their enduring vision, along with their generous support, ultimately led to an approval by school district residents to build a dedicated facility on the grounds of Cedarburg High School. In 1999, their efforts were realized when the Cedarburg Performing Arts Center opened its doors. While the facility was designed to provide exciting learning and performance opportunities for our students, community residents also were promised a magnificent venue beyond school presentations.

With this in mind, several community leaders came together with the intent of creating a vehicle — Cedarburg PAC, Inc. — to produce the Visiting Artists Series. They believed such a series would showcase Cedarburg on the world’s stage. And they worked tirelessly to make this concept a reality. Those founding sponsors and our other long-time supporters made it an incredible journey... one that always reflected the organization’s mission of “supporting and sustaining a professionally managed environment which presents programming to Enlighten, Educate and Entertain our greater community.”
