GENTRI: The Gentlemen Trio
GENTRI, which is short for “The Gentlemen Trio,” was established in June 2014 and is comprised of three dynamic tenors: Brad Robins, Casey Elliott and Bradley Quinn Lever. Pioneering a signature sound they call “Cinematic Pop,” their music is transfused with lush, epic orchestrations and rich, dynamic three-part harmonies all composed by the group’s producer Stephen Nelson.

GENTRI’s first EP was released March 31, 2015 and spent 15 consecutive weeks in the top 10 on two different Billboard charts, including 5 consecutive weeks at the No. 2 spot on both the Classical and Classical Crossover charts.

The music video for GENTRI’s original “Dare” made international headlines on news outlets around the world, including ABC World News, NBC Nightly News, and Inside Edition.

The Gent’s album, RISE, features 8 original songs, as well as 2 covers. It debuted at #3 on Billboard’s Classical and Classical Crossover charts, right behind John Williams for Star Wars: The Force Awakens and Andrea Bocelli. FINDING CHRISTMAS is the latest GENTRI full-length album, and has been featured on the iTunes holiday list and multiple Billboard charts.

GENTRI has performed across the United States and has shared the stage with world-renowned talent, including Tony Award-winning vocalist Idina Menzel, Tony Award-winning powerhouse Kristin Chenoweth, international tenor sensation Alfie Boe, and legendary rock band Journey.

In keeping with our mission to *Enlighten, Educate and Entertain*, we work to create experiential opportunities for the young people of our community. They spend time learning what it takes to put on a successful Visiting Artists Series. They also learn from renowned performers through Master Classes, workshops and on-stage collaborations. Many have gone on to college programs and careers in the performing arts!

**RECENT EFFORTS TO ENGAGE YOUNG PEOPLE**

The **Milwaukee Symphony Orchestra**, with underwriting from the Rita Edquist Memorial Fund, provided a fun and inspirational holiday performance for local students – from grade school through high school.

NBC’s *The Voice* finalist **Chris Mann** collaborated with local high school students during his Visiting Artists Series performance. He sang several songs with the school’s 24-member **A Cappella Choir**.

One of America’s foremost musical ensembles, **Dallas Brass**, offered a clinic for middle and high school band students prior to their CPAC performance. Then, they invited the 72-member high school Symphonic Band to play with them on stage during their concert.

Commercial Art & Design students from the local high school partnered with the CPAC to create posters promoting student tickets for Visiting Artists Series performances.

Financial contributions help us carry on our mission. Each season, the Cedarburg PAC, Inc. sets out to Enlighten, Educate and Entertain. This translates to every event we schedule. We work to accomplish our mission by offering ongoing opportunities to residents of the Greater Cedarburg area and beyond to experience and appreciate the performing arts. We strive to expose students to guest artists through master classes, workshops, question and answer sessions and on-stage collaborations. In addition, we provide student internship opportunities with technical, box office, merchandise sales, backstage hospitality and marketing/business functions. These are invaluable experiences made possible by your support.

Ozaukee Bank’s Gift to the Future
A fund to support Cedarburg…now and forever
For more than 30 years, Cedarburg families dreamed of a suitable performance space for their children attending the Cedarburg schools. Their enduring vision, along with their generous support, ultimately led to an approval by school district residents to build a dedicated facility on the grounds of Cedarburg High School. In 1999, their efforts were realized when the Cedarburg Performing Arts Center opened its doors. While the facility was designed to provide exciting learning and performance opportunities for our students, community residents also were promised a magnificent venue beyond school presentations.

With this in mind, several community leaders came together with the intent of creating a vehicle – Cedarburg PAC, Inc. – to produce the Visiting Artists Series. They believed such a series would showcase Cedarburg on the world’s stage. And they worked tirelessly to make this concept a reality. Those founding sponsors and our other long-time supporters made it an incredible journey... one that always reflected the organization’s mission of “supporting and sustaining a professionally managed environment which presents programming to Enlighten, Educate and Entertain our greater community.”

During the past 18 years, Cedarburg PAC has been host to a large slice of American performing arts history showcasing some of the biggest names in the entertainment industry: Bob Newhart, Doc Severinsen, The Smothers Brothers, Janis Ian, Judy Collins, Hal Holbrook, Preservation Hall Jazz Band, Don McLean, Chris Botti, Kathy Mattea, Nitty Gritty Dirt Band, 10,000 Maniacs, The Osmond Brothers, Rich Little, Big Bad Voodoo Daddy, Wynonna Judd and many others. These artists come to us with varied backgrounds, perspectives, opinions, and performance styles. They give us exposure to their lives and experiences, and expand our base of knowledge regarding a part of America’s cultural history that has helped to shape our country.

Cedarburg PAC, Inc. has worked with Cedarburg School District teachers and staff members to ensure that students play an integral role in our Visiting Artists Series. Master classes with renowned artists, open sound checks, Q&A sessions, as well as opportunities to work alongside the performers themselves, are part of our commitment to provide valuable educational interactions for students. A continuing source of pride has been the many students who have gone on to successful careers in the arts industry.

From its inception, the partnership between the Cedarburg School District and Cedarburg PAC, Inc. has been a wonderful example of public and private entities working together to benefit community residents and visitors. We are proud partners in this endeavor! Thank you all for being part of our amazing journey. We look forward to seeing you during our exciting 2018-2019 season of arts and education at the Cedarburg PAC.
