You’ve gone from London society to Oz, given us a Story of Hope, steamed up All that Jazz in Chicago,
cruised through Cole Porter in Anything Goes, rocked it as Tanya the Dynamo and now it’s time Ursula took matters into her own tentacles.

We are so proud of you and can’t wait for your next act! May life bring you all the joy that you bring to others!!

Love you Bella B. Mom, Dave, and Leyna
DIRECTOR’S NOTE

When I think of DISNEY’S THE LITTLE MERMAID, I envision a show that’s magical, energetic and full of colorful music. Big sets, special effects, great lighting, unique costumes and a few fun surprises all help to create this whale of a show!

Welcome to DISNEY’S THE LITTLE MERMAID!

DISNEY’S THE LITTLE MERMAID opened on Broadway in 2008, but perhaps its most beloved incarnation is the 1989 film, which this year, celebrates its 30th anniversary.

In DISNEY’S THE LITTLE MERMAID, we meet Ariel, a girl who has lost her mother and cannot please her father. Her escape is the surface where she longs to be human, something she knows nothing about. Throughout the show, she embraces her own dreams, stays true to herself and in the end finds love. Our lesson: happiness is within our grasp, no matter the obstacles. So long as we are secure in who we are and unafraid to step outside of our comfort zone, we too can find our place in this world.

This production involves students from Tosa West, Whitman Middle School, Longfellow Middle School and Wauwatosa Montessori. For anyone that’s counting, that’s over 150 students in the cast, crew, and pit!

A huge shout out to the entire production team, parents, students and volunteers for helping to make this show a success. All of you have helped to shape our theatre program and mold it into something we take pride in. Bravo! We are excited to continue to share our story, inspire creativity and enrich our students and the Wauwatosa community with exceptional theatre experiences.

Thank you for your continued support of Theatre at Tosa West.

Enjoy the show!

SHOW SYNOPSIS

In a magical kingdom beneath the sea, Ariel longs to leave her ocean home to live in the world above. Ariel is King Triton's youngest daughter and wishes to pursue the human Prince Eric.
