Frankie Moreno is all of these things and more.

As a child prodigy on the piano and a gifted multi-instrumentalist, Frankie was first introduced to American audiences at the age of ten with his debut on CBS’s “Star Search.” Since then, named “Las Vegas Headliner of the Year” three times, Frankie has been sharing his own brand of piano-pounding Rock n’ Roll with audiences worldwide.

Frankie’s performance on ABC’s “Dancing with the Stars” brought him into America’s living rooms again. Performing his self-penned hit “Tangerine Honey,” Frankie has continued with more television appearances, magazine covers and sold-out concerts including New York’s Carnegie Hall, The Kennedy Center and The Hollywood Bowl. The recipient of an Emmy nomination for his national TV special “Songs at Home,” Frankie is now starring in his own nationwide special for PBS titled “Frankie Moreno In Concert.”

Reaching One Million record sales worldwide, Frankie has been collaborating on new music with producer, engineer, and guitar legend, Pat Thrall (Katy Perry, Christina Aguilera, Beyoncé, Justin Bieber).

“Frankie is one of the most naturally gifted musicians I’ve ever worked with. We both share the same vision for music, so it’s a fun and exciting process,” says Pat.

Frankie’s latest collaboration for Sony Records with world-renowned violinist, Joshua Bell, reached #1 on the Billboard charts in two separate categories. Other artists included on this album were Sting, Josh Groban, Chris Botti, Kristin Chenoweth, and Regina Spektor. Together they filmed “Great Performances: Live at Lincoln Center” for PBS.

Frankie Moreno continues to delight audiences with his highly contagious music and playful stage antics. His songs are cleverly crafted and his musicianship is virtuoso. He is unquestionably a unique artist and an all-around talent who puts his heart and soul into his music.

In keeping with our mission to *Enlighten, Educate and Entertain,* we work to create experiential opportunities for the young people of our community. They spend time learning what it takes to put on a successful Visiting Artists Series. They also learn from renowned performers through Master Classes, workshops and on-stage collaborations. Many have gone on to college programs and careers in the performing arts!

**RECENT EFFORTS TO ENGAGE YOUNG PEOPLE**

The *Milwaukee Symphony Orchestra,* with underwriting from the Rita Edquist Memorial Fund, provided a fun and inspirational holiday performance for local students – from grade school through high school.

NBC’s *The Voice* finalist **Chris Mann** collaborated with local high school students during his Visiting Artists Series performance. He sang several songs with the school’s 24-member *A Cappella* Choir.

One of America’s foremost musical ensembles, **Dallas Brass,** offered a clinic for middle and high school band students prior to their CPAC performance. Then, they invited the 72-member high school Symphonic Band to play with them on stage during their concert.

Commercial Art & Design students from the local high school partnered with the CPAC to create posters promoting student tickets for Visiting Artists Series performances.

SUPPORT THE PERFORMING ARTS IN OZAUKEE COUNTY  
Financial contributions help us carry on our mission. “Each season, the Cedarburg PAC, Inc. sets out to enlighten, educate and entertain. This translates to every event we schedule. We work to accomplish our mission by offering ongoing opportunities to residents of the Greater Cedarburg area and beyond to experience and appreciate the performing arts.” We strive to expose students to guest artists through master classes, workshops, question and answer sessions and on-stage collaborations. In addition, we provide student internship opportunities with technical, box office, merchandise sales, backstage hospitality and marketing/business functions. These are invaluable experiences made possible by your support.

Ozaukee Bank’s Gift to the Future

A fund to support Cedarburg…now and forever
CEDARBURG PERFORMING ARTS CENTER: A RETROSPECTIVE

For more than 30 years, Cedarburg families dreamed of a suitable performance space for their children attending the Cedarburg schools. Their enduring vision, along with their generous support, ultimately led to an approval by school district residents to build a dedicated facility on the grounds of Cedarburg High School. In 1999, their efforts were realized when the Cedarburg Performing Arts Center opened its doors. While the facility was designed to provide exciting learning and performance opportunities for our students, community residents also were promised a magnificent venue beyond school presentations.

With this in mind, several community leaders came together with the intent of creating a vehicle – Cedarburg PAC, Inc. – to produce the Visiting Artists Series. They believed such a series would showcase Cedarburg on the world’s stage. And they worked tirelessly to make this concept a reality. Those founding sponsors and our other long-time supporters made it an incredible journey... one that always reflected the organization’s mission of “supporting and sustaining a professionally managed environment which presents programming to Enlighten, Educate and Entertain our greater community.”

During the past 18 years, Cedarburg PAC has been host to a large slice of American performing arts history showcasing some of the biggest names in the entertainment industry: Bob Newhart, Doc Severinsen, The Smothers Brothers, Janis Ian, Judy Collins, Hal Holbrook, Preservation Hall Jazz Band, Don McLean, Chris Botti, Kathy Mattea, Nitty Gritty Dirt Band, 10,000 Maniacs, The Osmond Brothers, Rich Little, Big Bad Voodoo Daddy, Wynonna Judd and many others. These artists come to us with varied backgrounds, perspectives, opinions, and performance styles. They give us exposure to their lives and experiences, and expand our base of knowledge regarding a part of America’s cultural history that has helped to shape our country.

Cedarburg PAC, Inc. has worked with Cedarburg School District teachers and staff members to ensure that students play an integral role in our Visiting Artists Series. Master classes with renowned artists, open sound checks, Q&A sessions, as well as opportunities to work alongside the performers themselves, are part of our commitment to provide valuable educational interactions for students. A continuing source of pride has been the many students who have gone on to successful careers in the arts industry.

From its inception, the partnership between the Cedarburg School District and Cedarburg PAC, Inc. has been a wonderful example of public and private entities working together to benefit community residents and visitors. We are proud partners in this endeavor! Thank you all for being part of our amazing journey. We look forward to seeing you during our exciting 2018-2019 season of arts and education at the Cedarburg PAC.
