A NOTE FROM THE PRINCIPAL

Dear KML Families, Friends, and Guests,

Welcome to Little Women. Thank you for coming. Our leaders, cast members, and support people have been working faithfully for many months in order to present an excellent performance. We hope you enjoy the show!

At KML, we believe in creating fine arts opportunities to support our students in exploring and developing the talents and abilities the Lord has given them. We are always proud of their efforts in glorifying the Lord in so many different ways. We look forward to many more musicals, plays, dramas, concerts, and other events for many years to come as our students glorify God with their talents and hard work.

This musical, along with all the many opportunities for our students to participate, is one example of the various activities which help us carry out our mission. We want to offer programs and activities such that all of our students will have the opportunity to grow where they are gifted. The arts, academics, athletics, and leadership are just a few examples of areas in which our students can thrive as they prepare for life after high school. Our talented and Christ-centered teachers and staff, as partners with parents, help us to carry out our mission by working diligently to prepare our students for the next steps in their lives and for an eternity with Jesus in heaven.

Again, thank you for coming. Sit back, relax, and enjoy the show!

Jamie Luehring, Principal
Kettle Moraine Lutheran High School

Empowered by God’s Word, we have the opportunity each day to educate, encourage, and equip our students for life and for eternity. We pray that you enjoy the show today! All glory be to our gracious God.
