WAUWATOSA 68TH & STATE
“Oh the thinks you can think when you think about Seuss!” With this invitation, we invite you to sit back and immerse yourself in the wild world of Dr. Seuss where nothing is as it seems and anything is possible!

Seussical the Musical is a story that is built from the collection of Dr. Seuss stories. We cover classics like “Horton Hears a Who,” “The Cat in the Hat,” and “Yertle the Turtle” throughout the show. Intertwined with the plotlines of these fantastical characters and over-the-top situations are messages to which we can all relate. Seussical covers topics like inclusion, friendship, acceptance, self-love, and community. Most importantly, it reminds us that our imaginations are powerful tools that we can use to make the world a better and brighter place.

I want to thank all of the adult staff that helped put together this monster of a show. Taking on Seussical is no small feat. Your creative ideas, energy, and enthusiasm for this production have been inspiring and we are all grateful to have you as part of our program helping to inspire the next generation of theatre makers. Thank you for offering your time and talent to Tosa East. To the FTA board members, our parent volunteers, and the parents of all our students, thank you for your support backstage and beyond. Having your support is essential to the success of our shows.

Finally, to all of the Tosa East Players. I have spent the last few months in awe of your passion and dedication to the success of this theatre, but what truly inspires me is your love for one another. You are all incredible rays of light in my life and in the lives of all those around you. Thank you for making my life brighter and happier each and every day.

This show is dedicated to my Mom and Dad who have always inspired me to dream big dreams no matter what and who remind me every day that anything is possible. I love you both with all I’ve got. Enjoy the show!

FROM YOUR FRIENDS AT FOOLIGHTS, ENJOY THE SHOW!
**SENIORS**

**Anna Berquist, Box Office Head**
This is Anna. Anna is a senior. When not helping out with Box Office, you can find Anna at Culver’s. Anna hopes you enjoy the show!

**Olivia Bowser, Props**
Olivia is possibly the silliest goose you will ever meet. Being part of props crew has made Olivia realize her passions: hot glue and coffee-staining. For real though, please realize that Olivia created all the coffee-stained paper you have seen within the last 3 years. She’s very proud. And sad to realize that this is the last time she will ever spend 6+ hours here with her favorite people. Olivia is also sad she never found her soulmate, the turkey leg boy.

**Talbot de St. Aubin, Costumes / Playbill / Sound**
Talbot has thoroughly enjoyed her time in the theater. Her best memories here consist of being a flying nun (co-starring Abby Slye as a confused nun), eating her mustache as Wes Warnicker (hairy oranges are not good), and confusing her whole family with Pippin (does anyone know what it’s about?). She would like to thank her friends for making fun of her, teaching her self-defense, 5am discussions, cookie cakes, and drives to nowhere; all of which have kept her sane.

**Josh Franklin, Construction Co-Head**
Josh Franklin has not been in Theater for as long as his fellow seniors, however for the short time he has been here he believes that it was a great way to end his High school experience at East. Josh can often be really anxious of how his decisions and choices could possibly affect others negatively. Although, with his senior year coming to an end soon, he realizes just how much Theater has positively affected him. All down to the people he’s met, to the skills he’s learned, to the lesson he will never forget for years to come.

**Isabella Collison, Deck Head / Paint / Props**
Isabella started with the Tosa East players her freshman year. In that time, she has taken part of six productions titled “Encore Encore”, “Pippin”, “Footloose”, “Peter Pan”, “Romeo and Juliet”, “Fools”, and “Seussical”, acting as Deck Crew Head for three of those shows. Isabella is excited to spend one last show with her friends and hopes to go out with a bang!

**Carlton Hightower, Construction Co-Head / Paint**
IF YOU DON’T LOVE CARLTON HIGHTOWER, LITERALLY WHAT IS WRONG WITH YOU. THIS IS WITHOUT A DOUBT THE SINGLE GREATEST ACQUISITION TO THE TOSA EAST PLAYERS; HE IS CHARMING, HARDWORKING, AND HAS AN INCREDIBLE SENSE OF HUMOR. THIS SHOW WOULD NOT HAVE BEEN POSSIBLE WITHOUT HIM.

**Lillian Frank, Dance Captain / Wickersham Brother**
Saucy Boy.

**Anna Jolie, Costumes**
After these four years Anna just wants to share a few “Thank You’s. Thank you to all of the talented people that she has had the opportunity to work with and has learned from. Thank you for the amazing friendships that she has formed here. Thank you Breadsmith and microwavable Indian food for fueling her these past years. Thank you for the good and bad that she has experienced here, and thank you for
the memories that she’ll never forget. Finally, a big thank you to SeatGeek and Honey for sponsoring this bio.

Grace Kelnhofer, Paint / Sound
Grace has felt so incredibly blessed to have been part of this theater. The amount of blood, sweat, and tears she’s put into these productions is terrifying. She has portrayed many men on stage over the years and the lessons she learned from them are priceless. The key two are that your thumbs must always be in your belt loops and faux facial hair requires a higher pain tolerance than you would think. She would like to thank her family for encouraging her to be her wacky self... even if she can’t take a good photo to save her life!

Addy Korb, Ensemble-Jungle Creature
Addy is thrilled to be participating in Cast for her final show with the Tosa East Players. She has come a long way from Freshman year and now knows that “Fly” crew does not always fly people, and being on “Props” actually means you are Props, Paint, AND Deck crew. Not many people know that Addy loves to waterski, procrastinate, and sing while doing the dishes. When she’s not at home -to clarify, the place where she only goes to eat and sleep- she’s in a violin rehearsal or recovering from her day over a bowl of ice-cream.

Jackson Lanke, Pit
Jackson is so excited to be playing in pit for Seussical! He would like to thank his family and friends for their love and support.

Elizabeth Murphy, Pit
You may remember seeing Lizzie dressed as a dancing piece of cheesecake during the Player’s 2016 production of And The World Goes ‘Round. While she has since left her dessert and acting days behind, she is now excited to return for her sixth and final show in pit! When not in theatre, Lizzie can be found working at Hallmark, playing with her dog Cookie, or eating Goldfish under a blanket while listening to Michael Bublé in an effort to feel less stressed about college. She hopes you enjoy the show!

Ellie Murphy, Deck / Props
Ellie loves the enjoyment theatre brings to her! If there is anything wrong, her friends always have her back no matter what. This theatre is a place where she can work on projects to know
that it will benefit in the end. Thank you for making this experience happen, Peace Out Tosa East Theatre.

Augustina Piel, Yertle the Turtle / Assistant To Stage Management
After 7 shows in the stage management booth, Augustina decided she had nothing left to lose and tried her hand at being on stage. It is much harder than she was expecting. This isn’t easy. Playing the turtle is also ironic because anyone can tell you that Augustina is anything but slow and steady. And she might miss a step or two. Please decide that anything she does wrong is a character choice. Many thanks to her theatre family for supporting her for the last four years. This place and these people will always be her home.

Brenna Powers, Playbill / Sound Head
After the pressure of college applications, Brenna wishes to go on a path of self rediscovery. After this show she will be opting to be amongst the wildlife of Wauwatosa, living in a van down by the river. Once completing this semester she plans to go get the world by the tail, and wrap it around and put it in her pocket! She does not give a rat’s behind what stands in her way! Brenna would like to thank all of those that have stuck with her through the years, particularly Matt Foley, and give one last “la-de-freakin’-da!” to you all.

Ana Grace Quast, Deck / Playbill / Props Co-Head
Ana Grace’s personality consists of listening to One Direction, calling every get together a “kiki”, and being late to rehearsal because she was getting coffee (some for drinking, some for staining). She’s thankful for this theater, it’s wonderful napping and crying locations, and the people it brought to her. ttyl xoxo :)

Jaxon Rackowieki, Fly Head
Jaxon is so excited to be a part of Seussical! He would like to thank his family and friends for their love and support.

Henry Retzer, Pit
Henry is a senior and he plays the trombone. He enjoys things such as food, water, and giving and receiving hugs. He is a good hugger. Feel free to come over, and say hi to Henry, and even possibly give him a hug. He would like that very much. For the best quality hug please wait until intermission or after the performance.

Be “Who” you really are!!!

Good luck and we love you, Dad, Emliy, Harper, Ellis and G’ma
Maria Serrano, Playbill / Props
Unfortunately Maria was not accepted to clown college and therefore will not be fulfilling her life-long dream of becoming a founding father. She also lost her last brain cell in the process, and is currently in mourning over it. If you wish to contact her she requests that you send a telegram via carrier pigeon to the third floor where she will be living out the rest of her days dodging the WWII draft and singing the high parts of “Take on Me” among the asbestos.

Abby Slye, Vocal Captain / Bird Girl / Playbill Head / Sound
“Look, a bird!” Abby Slye is proud to finally be facing her biggest fear, birds, by portraying one in Seussical. In true Playbill-fashion she will now provide a list of people (and things) she would like to thank. So, to the google docs highlighter feature, the Jonas Brothers (all 4), Antonio Cipriano, Derek Klena, and Ben Platt (for their angelic voices), her “duetzz bc they hit” playlist, craft club, the stage-left ramp, sound board, “camel song,” and Brenna Powers (the absolute love of her life), thank you for everything. Oh, and she hopes you enjoy the show! #chaoticenergy

Ellen Wiberg, Ensemble-Who / Costumes
Ellen is a newcomer to the Tosa East stage, and the school in general. For her first and finally production with us she will be dedicating her performance to her dog Claire, Coffee, and her favorite pair of sweatpants. Without them she wouldn’t be the person she is today.

Katie Mei, we are so proud of you. Enjoy your final production at Tosa East!
Love, Mom & Dad
Katie Mei Williams, Marketing / Paint Head / Pit / Playbill / Props
Katie Mei is a lovely tri-blend composed of 35% disbelief, 52% satisfaction, and 13% confusion because her time as a Tosa East Player has finally come to an end. She would like to thank all of those who made her time in this program a wonderful experience and hopes (begs) that people join paint next year so her crew head successor doesn’t die. As her final request, Katie Mei asks that everyone take time to appreciate the sheer amount of work put into this production and to also wash their paint brush after use. Thank you :)))

Sue-sical the Not-so Musical (Playbill Version)
by Dr. Sue-Us, with apologies to the real Dr. Seuss

If you find a big mess, so deep and so tall,
That you cannot pick up, there’s no way at all.
If you feel like you’re stuck behind the Eight Ball . . .

Don’t fret or complain, or blubber or bawl,
Don’t hide or, worse yet, choose to go AWOL.
Don’t move to Tahiti or South Senegal.
Instead . . . Pick up the phone and give us a call, y’all.

We’ll help fix it, you see, help clean up the debris
(Of course we will charge a reasonable fee).
In no time at all you be sipping green tea,
Under the shade of the tree by the Mighty Yangtze.

‘Cause your problems are problems we’ve probably seen
(Unless you’re accused of Assault With Green Bean)
We’re here to help you -- It’s real and it’s true.
Just let us know how and we’ll help you pull through.
